

Orange Fellow

Materials:

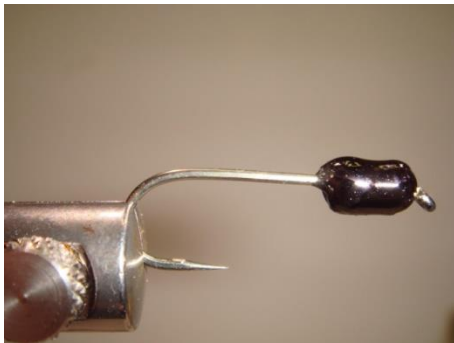

Hook:	JMC STR1 #8
Thread:	Black 8/0
Body:	Rabbit zonker strip orange + Icedubbing black
Hackle:	Rabbit zonker strip orange
Head:	Copper bead 4mm UV glue Window colors yellow
Plus:	Black permanent marker

1 Thread two 4mm copper beads on the hook shank

2 Secure the beads in their position close to the eye of the hook with UV glue

3 Using a permanent marker, paint the head in black

4 Add a drop of yellow window color on both sides of the head to represent the eyes of the fly

- 5 Cover the whole head with an additional layer of UV glue
- 6 Harden the head with your UV lamp

- 7 Tie in the thread behind the head.
- 8 Wind the thread to the beginning of the curvature of the hook

- 9 Paint the hair tips of an orange zonker strip using a black permanent marker

- 10 Tie in the zonker strip at the beginning of the curvature of the hook

- 11 Twist a bunch of black Ice dubbing in the spliced thread

- 12 Wind the body of the fly securing at the same time the zonker strip

- 13 Cut off a bunch of hair tips from the zonker strip and twist them in the spliced thread

- 14 Wind the head hackle with this strand of hair tips.
- 15 Whipfinish
